## Hakarak Tradition

*Hakarak are a long lineage of Rassa trained from the heart of the Rassa Moxol territories. The longest lasting traditions of the nation are still passed from ancient tellings on how to fight enemies in an honoured way.*

At the start of the Brawl phase, select one Martial Tradition from the list below to be active in your army until the end of the round. While a tradition is active, each formation in your army is granted the relevant ability.

### **Egak'Kai**

*Egak'Kai, is a long drawn tradition from the grand warrior-lines of the Hali'Ctoch. Draw an enemy in, and destroy them.*

All INFANTRY troops improve their Defence statistic by 1.

### **Mure'Kai**

*Mure'Kai, the tradition of swarming an enemy to the point of overwhelming their defence.*

When at least half a formation is base-to-base with an enemy formation, they add 1 to Hit rolls and to Wound rolls.

### **Owa'Kai**

*Hali'Ctoch can grow impatient, Owa'Kai will swiftly end a battle.*

All melee weapons equipped gain the [DESTRUCTIVE] ability.

# Rassa Moxol - Hakarak of Jian'Ha

## Doctrine Rule

If your Army is the Hakarak of Jian'Ha, you can use one of these Combined Regiment Doctrine rule.

### **Warriors of Exstintech**

*The Hakarak are the most entrenched of the Exstintech gatherers within the Rassa Moxol, they use it to their advantage, and gather it to continue their technological build up. When Exstintech is at risk of being captured by foes, these Warriors will fight to the death.*

Each time a HAKARAK formation from your army has made an Assault move this round, add 1 to the swiftness of all their melee attacks.

---

### **Hali'Ctoch Prowess**

*The Hali'Ctoch are the most honourable species within the pact of the Rassa-Moxol. Wielding weapons of great strength, with unmatched skill.*

HALI'CTOCH troops when fighting with Owa'Kai gain [ANNIHILATION] instead of [DESTRUCTIVE].

Additionally when fighting with Mure'Kai have 1 added to their Armour Piercing statistics.

---

### **Ruptorix Rage**

*The Ruptorix are monsters through and through and are unmatched in their pure strength and vigour.*

All attacks made against RUPTORIX troops have their Armour Piercing statistic reduced by 1.

Additionally, all RUPTORIX troops have their Movement statistic improved by 1.

### **Lure of Battle**

*We cannot shy ourselves from battle, and so we shall enter it, even if others may shy from it.*
